THE LOCATION

LIVING IN A MASTERPIECE
designed by nature

Mother Earth is AIDA's primary architect. Its unique terrain of curvaceous valleys, sharp cliffs and endless shores perch up a community that blends a vibrant riviera lifestyle with the tranquility of the wilderness.

Stunning residences and signature golf course combined with breathtaking views, luxurious amenities, and an array of unforgettable experiences, make AIDA the perfect place to immerse yourself in the beauty of nature and the best of all worlds.

AN ENCHANTING DESTINATION

THE HOTEL AND FLOATING SUITES

In between the cliffs hides AIDA's crown jewel; the charming hotel, open air lounge and the hidden floating suites. Overlooking the picturesque horizon from all sides, the hotel's voluptuous interiors, earthy tones and touches of greenery harmoniously blend with the landscape. A place so unique that transports residents and guests to another dimension.

AN ENCHANTING DESTINATION

SHELTERED IN THE ROCKS IS BLISS

Here, at the edge of the world, are the floating suites. A picturesque getaway where guests are welcomed by a private pool. And across the way is their very own bedroom and en-suite bathroom with floor-to-ceiling windows floating over the shores.
